

Title: Parent/Guardian Supervision at practice/games		
Category: Programs (P)		
Policy No. 2019-10-(P) 07	Adoption: October 14, 2019 Chair: Gary Rodriguez	Revision: Chair:
The Board of Directors adopted this policy at its public meeting on the latest revision date: N/A		

1. The policy is to provide a safe environment for the participation of children and young people by ensuring that they are not left alone before, during or after practice or games.
 - 1.1 Make sure parents/guardians know the time and location of practices and games and plan to accompany their children.
 - 1.2 Request coaches and other sporting personnel to arrive before scheduled practice or game times.
2. We ask you to abide by the policy and not break it. Shafter Recreation is not liable and cannot make decisions for your children and young people in case of emergency.
 - 2.1. You will get 4 warnings.
 - 2.2. First is a verbal warning, which the district will contact you about and document for their records.
 - 2.3. Second is a verbal warning, which the district will contact you about and document for their records.
 - 2.4. Third is a written warning with the understanding that if there is a fourth violation a suspension from the league will be issued.
 - 2.5. Fourth violation—you will be suspended from the league.
3. The expectation is not necessarily that parents/guardians be immediately adjacent to the practice/game field at all times (for example, a parent might have children in more than one team at a time), but that they be on-site at the complex/gymnasium where they could be quickly located in an emergency.
